**Toronto, Ontario M5C 2H8**

August 2015

On behalf of the Canadian Security Traders Association, Inc., and its affiliates, I would like to welcome you to our 22nd annual trading conference in beautiful Mont-Tremblant, Quebec.

We are pleased to offer you a top notch lineup of speakers, including TMX Group CEO Lou Eccleston, our gala keynote speaker, Canada's former Chief of Defense Staff, General Rick Hillier, and Opening Remarks speaker on Thursday evening, multisport athlete Will Gadd.

Our industry is in a constant state of evolution. The emerging issues of yesterday become the front burner items of today. We provide an educational and networking forum in which all attendees can grow and adapt to the ever-changing business climate. Conference speakers and attendees represent a wide cross-section of the business, domestically and internationally. We are proud to bring forward this distinguished lineup, and hope you leave the conference with new insights.

Your CSTA continues to be committed to improving the working climate for all members, year-round. In addition to the conference you are now attending, the CSTA hosts regular educational events (broadcast to three locations across the country), comments on regulatory issues, advertises employment opportunities, and sponsors a confidential counseling service. These efforts are run by volunteers committed to the industry and to its members.

The CSTA also remains at the forefront of regulatory debate market structure issues affecting Canada. In the past year, our Trading Issues Committee represented an industry view on issues such as the proposed reforms to the Order Protection Rule, proposed dark trading anti-avoidance provisions, marketplace innovations from various marketplace operators. We have also directly engaged with the Securities and Exchange Commission to encourage greater cross-border coordination in implementing proposed reforms which are on the Canadian regulatory agenda today.

This conference is the product of teamwork. We would like to thank our sponsors and vendor fair exhibitors for their support, including our lead sponsor the TMX Group. We thank our speakers for agreeing to give back to the community by offering their time and their expertise. We are also grateful for the tireless work of the volunteers and contributors that devoted their time. Finally, we thank our gracious hosts, the Montreal Institutional Equity Traders Association. Merci beaucoup! Cette conférence n'aurait pas eu lieu sans vous!

Thank you all for attending this year's conference. I look forward to seeing you next year, on the west coast.

Alex Perel

Chair, Canadian Security Traders Association, Inc.

août 2015

Au nom de la Canadian Security Traders Association, inc. et des associations affiliées, nous sommes heureux de vous accueillir dans la belle région de Mont-Tremblant, Québec pour cette 22<sup>ème</sup> édition de notre conférence annuelle sur la négociation.

Il nous fait plaisir de vous proposer cette année un programme constitué de présentateurs exceptionnels comprenant entre autres Lou Eccleston, chef de la direction de Groupe TMX Limitée, le général Rick Hillier, ex-chef de l'état-major de la Défense, orateur invité lors de la soirée gala et Will Gadd, athlète multi disciplinaire, qui prononcera -jeudi soir- le discours d'ouverture.

Notre industrie est en perpétuelle évolution. Les enjeux émergents d'hier deviennent les priorités d'aujourd'hui. Notre intention est d'offrir un forum éducatif et social qui permet à nos participants de croître et s'adapter à ce contexte commercial en évolution constante. Les présentateurs et participants à notre conférence, œuvrant au Canada comme à l'étranger, représentent un vaste échantillon de notre industrie. Nous sommes fiers de vous présenter une longue liste d'orateurs de renom et espérons que vous en tirerez profit.

La CSTA, s'est engagé auprès de ses membres à améliorer leur climat de travail, et ce, tout au long de l'année. En plus de cette conférence annuelle, la CSTA est régulièrement l'hôte d'activités à caractère éducatif (retransmises dans trois emplacements à travers le pays). Nous émettons des commentaires sur les questions de réglementation, diffusons les offres d'emploi et parrainons un service d'aide confidentiel. Ces initiatives sont prises en charge par des bénévoles qui ont à cœur notre industrie et ses membres.

La CSTA demeure au premier plan en matière de réglementation relative à la structure des marchés au Canada. Au cours de la dernière année, notre comité sur les enjeux liés à la négociation a pu présenter la position de nos membres sur plusieurs questions d'importance, dont le projet de modification de la règle sur la protection des ordres, les solutions anti-évitement des règles concernant la liquidité invisible (dark pools) et les innovations proposées par les différents acteurs sur les marchés. Nous avons de plus entrepris des pourparlers avec la Securities and Exchange Commission visant à l'amélioration de la coordination lors de la mise en œuvre des réformes de réglementation touchant nos deux pays.

Cette conférence est le fruit d'un effort collectif. Nous aimerions remercier nos commanditaires et les exposants de notre foire de fournisseurs pour leur soutien, avec des remerciements particuliers pour notre commanditaire principal, le Groupe TMX. Nous remercions également nos présentateurs pour leur engagement envers notre industrie, qu'ils témoignent en nous offrant leur temps et leur expertise. Nous sommes aussi reconnaissants pour le travail sans relâche de nos bénévoles et collaborateurs qui nous ont consacré de leur temps. Finalement, nous tenons à remercier notre hôte, l'Association des Arbitragistes Institutionnels de Montréal (AAIM), pour son accueil. Merci beaucoup! Cette conférence n'aurait pas eu lieu sans vous!

Merci à tous d'être présents cette année et au plaisir de vous voir l'an prochain sur la côte ouest.

Alex Perel

Président, Canadian Security Traders Association, Inc.

## Speakers & Moderators (in order of appearance)

All comments made by speakers are off the record.

Thursday, August 20

Opening remarks

7:00pm - 8:00pm

---

### Will Gadd

*“Nobody ever died wishing they had spent more time behind a desk.”*

Will Gadd is one of the top outdoor adventure athletes in the world (Outside, Men’s Journal and Explore say so anyhow...). Will is best known for wild outdoor adventures in multiple different sports, but he’s most proud of his ability to complete those adventures safely and share them with others. He has appeared in, hosted or produced more than 100 global television projects. He is an award-winning writer (New York Times, Men’s Journal, etc.), film maker, and dad.

His book on ice climbing is the top publication in its field, and has been translated into five languages. Gadd’s presentations on “Risk and Reward” and related topics take him all over the world to speak to audiences ranging from Nike and Enbridge to at-risk youth. He is the National Geographic “2015 Adventurer of the year” for his paragliding adventure in the Rockies.

## Speakers & Moderators (in order of appearance)

All comments made by speakers are off the record.

Friday, August 21

### Opening Address

8:00am - 8:15am

#### **Patrick McEntyre, CFA**

Managing Director, Electronic Trading & Services  
National Bank Financial

Patrick joined National Bank Financial in 2013 to lead Electronic Trading & Services with a mandate to offer DEA and algorithmic trading to NBF's institutional clients. He has over 15 years of trading experience.

Prior to NBF, he was most recently with ITG Canada as a Director in their electronic brokerage group as well as heading up their Commission Management Services. He spent his formative years in Montreal at boutique global investment dealer Pavilion Global Markets (then known as Brockhouse & Cooper) where, as the Head of North American Equity Trading, he was instrumental in developing their portfolio trading capabilities in both Canada and the U.S.

He has been actively involved in shaping the Canadian regulatory via regular participation in industry comment letters, speaking on various industry panels and contributing to industry committees. He is a key contributor to the NBF Liquidity Review Committee which is mandated to ensure that NBF duly meets its Best Execution obligations.

Patrick pursued his higher education at the University of Western Ontario.

### Keynote Address

11:00am - 12:00pm

#### Dr. Amlan Roy

Managing Director & Head, Global Demographics  
& Pensions Research,  
Credit Suisse

Amlan Roy is Managing Director and Head, Global Demographics & Pensions Research for Credit Suisse's Investment Bank in London. His global macro-based research links Global Demographics and Pensions to economic growth, debt sustainability, inflation, asset prices, pensions, sectoral allocation, health, migration and insurance. He presents to a global client base (across 30+ countries) that includes fund managers, hedge funds, insurance companies, pension funds, SWFs, governments and central banks. Amlan also speaks at approx. 60 global conference events annually.

He is a Senior Research Associate of London School of Economics' Financial Markets Group and guest professor for London Business School's Finance department. He is also on the S&P Index Advisory Committee and CSCB Index Advisory Committee.

### Keynote Address

1:00pm - 1:45pm

#### Peter Kovac

Author: "Flash Boys: Not So Fast"

Peter is the author of *Flash Boys: Not So Fast*, which debunks the claim that our global equities markets have been systemically "rigged." Drawing upon his expertise in compliance and regulatory policy from his tenure as COO of the global multi-asset market-making firms EWT & Madison Tyler from 2004-2011, Peter presents a clear-headed view of today's electronic markets and potential developments that the future might bring.

### Gala Dinner Featuring General Rick Hillier

7:30pm - 11:00pm

#### General Rick Hillier

Senior Advisor,  
TD Bank Group

General Rick Hillier was Canada's Chief of the Defence Staff – the highest ranking position in the Canadian Forces – from February 4, 2005 to July 1, 2008. He is also the highest ranking Newfoundland and Labrador officer in history.

In September 2008 General Rick Hillier joined TD Bank Financial Group as a senior advisor. The last couple of years General Hillier has travelled around Canada and the United States talking to TD employees about Leadership in Tough Times.

In 1998 General Hillier was appointed as the first Canadian Deputy Commanding General of III Corps, US Army in Fort Hood, Texas. In 2000 he took command of NATO's Stabilization Force's Multinational Division in Bosnia-Herzegovina.

In May 2003 General Hillier was appointed as Commander of the Army and subsequently, in October 2003, he was selected as the Commander of the NATO-led International Security Assistance Force (ISAF) in Kabul, Afghanistan. General Hillier was promoted to Chief of the Defence Staff in February 2005.

"A Soldier First" was published on October 24, 2009, and is a frank account of his role as Canada's Chief of the Defence Staff, told in his own words. But more than simply being a book about General Hillier, A Soldier First is about the men and women in the Canadian Forces. As General Hillier says, he is "one voice telling 1000 stories."
